RE: Liquidation instructions for certain uncoated paper from Portugal for the period 05/27/2015 through 08/25/2015 (A-471-807)

1. Because Commerce has determined that critical circumstances do not exist for imports of certain uncoated paper from Portugal, the retroactive suspension of liquidation ordered in message 5309301, dated 11/05/2015, is terminated. Accordingly, CBP is instructed to terminate the suspension of liquidation for all shipments of certain uncoated paper from Portugal entered, or withdrawn from warehouse, for consumption, before 08/26/2015, and to refund any cash deposits and release any other security. The interest provisions of section 778 of the Tariff Act of 1930, as amended, do not apply.
2. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 1 occurred with the publication of the final affirmative determination of sales at less-than-fair-value and final negative determination of critical circumstances in the antidumping duty investigation of certain uncoated paper from Portugal (81 FR 3105, 01/20/2016). Unless instructed otherwise, for all other shipments of certain uncoated paper from Portugal you shall continue to collect cash deposits of estimated antidumping duties at the current rates.
3. There are no injunctions applicable to the entries covered by this instruction.
